Albert Park Circuit Modification and Resurfacing Project

Dear Albert Park Stakeholder,

The Australian Grand Prix Corporation (AGPC) would like to provide you with an update on an adjustment to road closure dates in relation to the circuit modification and resurfacing works currently being undertaken on the public roads that form the Albert Park Grand Prix Circuit.

As a result of the works undertaken to date, AGPC and its delivery partners have identified the need for additional strengthening of the pavement sub-layers at locations along Lakeside Drive. These works are essential in order to return the road network to the users of Albert Park to the standards expected.

Accordingly, the planned opening of Lakeside Drive on Sunday 11 April 2021 (prior to the scheduled subsequent Lakeside Drive closure for final asphaltting works in late April), is no longer possible.

Consultation with traffic authorities has taken place, focusing on minimising impacts of this delay to key stakeholders and road users. This has resulted in the following adjustments to Albert Park road closures:

- **Lakeside Drive (Albert Road – Queens Road Slip Road)** will remain closed until **Friday 21 May 2021** to complete the remediation works and alleviate the need for any further intermittent closures after reopening.
- There will be intermittent closures of the **Lakeside Drive and Ross Gregory Drive intersection** to complete the intersection resurfacing works during April and May.
- Similarly, **Aughtie Drive** will require intermittent road closures for milling and resurfacing works throughout May. Information on these intermittent closures will be updated via www.grandprix.com.au/community when details are confirmed.

Please note that through-traffic access will remain in Albert Park at all times.

AGPC thanks you once again for your ongoing cooperation whilst these works are being completed and will continue to provide updated information via www.grandprix.com.au/community.

If you have any further queries or would like further information, please email communityrelations@grandprix.com.au and a community liaison representative will promptly respond.

Thank you for your understanding.

Kind regards,

Andrew Westacott
Chief Executive Officer
