

Remediation works Former Yarra Pistol Club site

Track closures and changed access -
Gun Club Track, Logan Park Road,
East Boundary Track and Horswood Road

Remediation works to remove lead shot and clay target debris from the former Yarra Pistol Club site are taking place. The site will be revegetated with indigenous plants when the works are complete.

Timing

Work will begin in mid June 2023 and conclude in September 2023. Works will take place Monday to Friday between 7am and 5pm.

Site access

Horse riders and park users must exercise caution.

Trucks active in area.

The work site is adjacent to the East Boundary Track and is not currently part of Lysterfield Park.

Gun Club Track will be closed for approximately one week in mid June.

Temporary closures and restricted access are expected on Gun Club Track, East Boundary Track and Logan Park Road while heavy vehicles transport the material off-site for disposal.

Traffic management will ensure everyone's safety while trucks are active in the area.
