

FIRE PREPAREDNESS WORKS NOTIFICATION

Drainage improvement and roading works will take place in Dandenong Ranges National Park on Mathias Road to improve fire and emergency access

Date: Early to mid March 2023

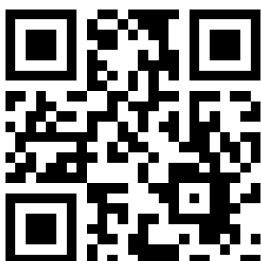

Duration: Approximately 2 weeks (weekdays only)

Location: Mathias Road (see map)

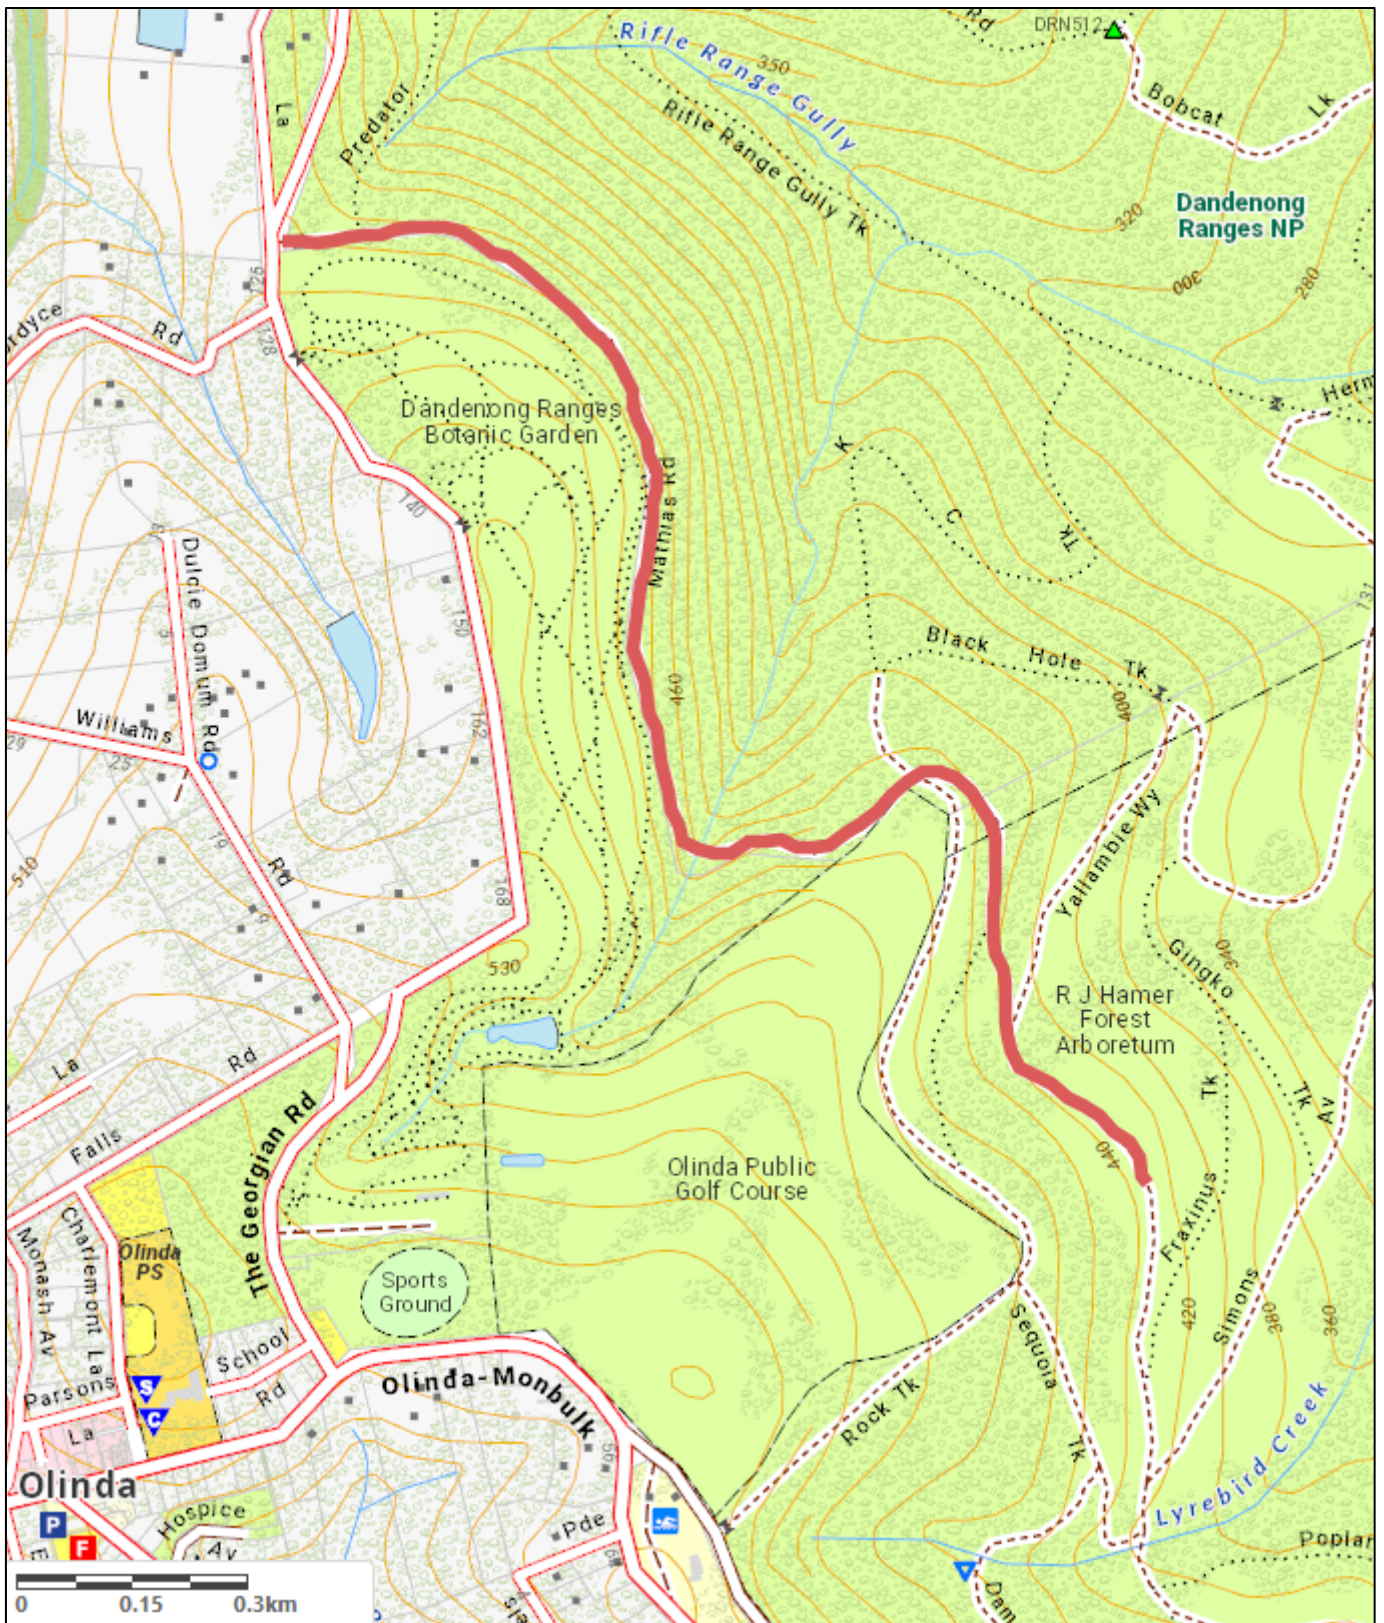

Impact: **Work crews and heavy machinery will be working in this area.** There may be restricted access to Mathias Road during works, park users may experience some delays. If you must use the road, follow the instructions of the crew working on site.

Environmental and cultural heritage assessments have been undertaken to ensure important areas are protected.

Why: These works are a continuation of the road surface upgrades carried out in 2020/2021. They are improving drainage, fuel break access and road surface conditions for emergency response and bushfire risk reduction activities.
