

## **FIRE PREPAREDNESS WORKS NOTIFICATION**

**Selective vegetation mulching and hazardous tree removal will take place in Dandenong Ranges National Park near Montrose.**

**Date:** Late October to Early November 2022

**Duration:** Approximately 2 weeks (weekdays only)

**Location:** Lower View Track, near Montrose (see map)

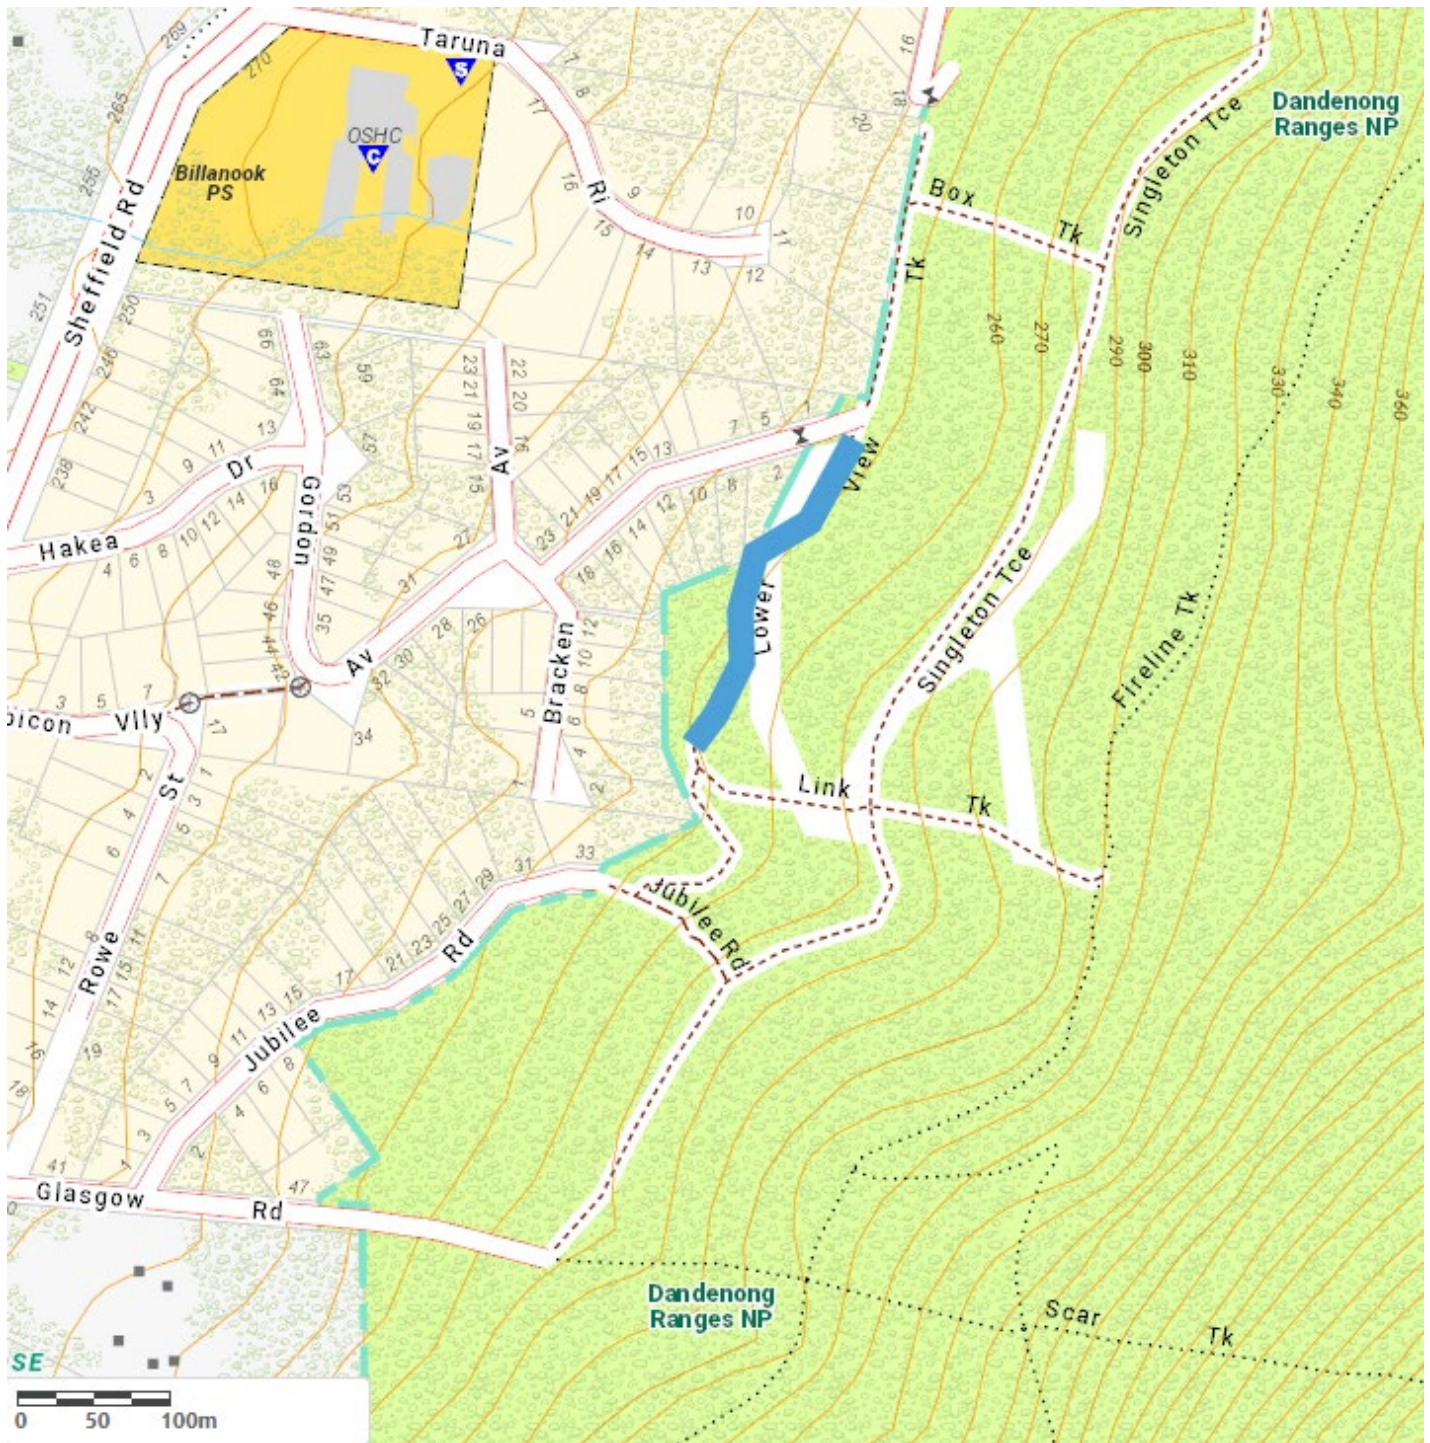

**Impact:** **Work crews and machinery will be working in this area.** There will be restricted access to Lower View Track during works. Park users may experience some delays. You should avoid this area if possible, but if you must use the track, follow the instructions of the crew working on site.

Environmental and cultural heritage assessments have been undertaken to ensure important areas are protected.

**Why:** These works are to improve fuel break access and safety for firefighting, planned burning and our annual fuel break grass slashing program.

For more information about this work call  
Parks Victoria on 13 1963 or visit  
[parks.vic.gov.au](https://parks.vic.gov.au).

 The blue line shows the location of the fuel break improvement works for 2022/23.

The scheduling and duration of work can sometimes change depending on conditions.
