

## **FIRE PREPAREDNESS WORKS NOTIFICATION**

**Hazardous tree removal will take place in Dandenong Ranges National Park along Basin-Olinda Road in preparation for planned burning**

**Date:** Early to mid March 2023

**Duration:** Approximately 1 week (weekdays only)

**Location:** Caterpillar Track area, along Basin-Olinda Road (see map)

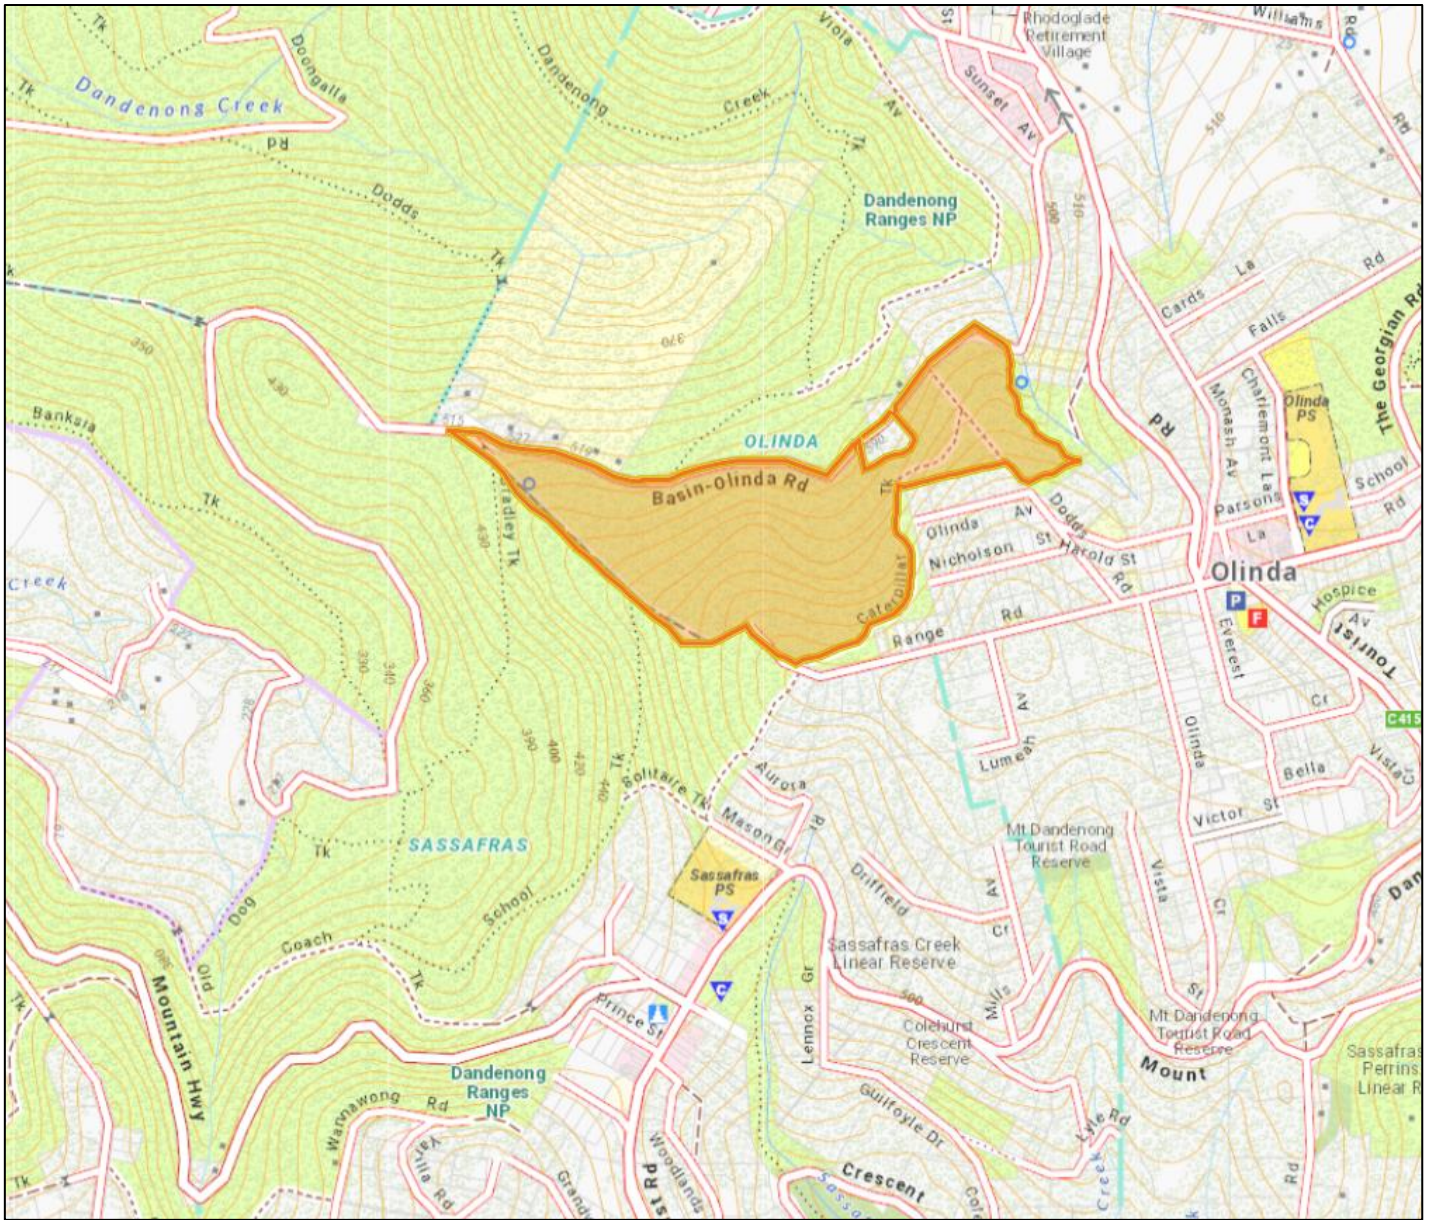

**Impact:** **Basin-Olinda Road will be partially closed during the works.** There may be short delays to road users.

Environmental and cultural heritage assessments have been undertaken to ensure important areas are protected.

**Why:** This area is within a bushfire Asset Protection Zone (APZ) and is managed regularly to reduce bushfire risk to the surrounding communities.

This work supports a planned burn scheduled for autumn 2023, if conditions are suitable. The removal of hazardous trees is critical for firefighter safety during these burns.
