

FIRE PREPAREDNESS WORKS NOTIFICATION

Drainage improvement and roading works will take place in Warrandyte-Kinglake Nature Conservation Reserve on Happy Valley Track to improve fire and emergency access

Date: Mid to late March 2023

Duration: Approximately 2 weeks (weekdays only)

Location: Happy Valley Track (see map)

Impact: **Work crews and heavy machinery will be working in this area.** There may be restricted access to Happy Valley track during works, park users may experience some delays. If you must use the track, follow the instructions of the crew working on site.

Environmental and cultural heritage assessments have been undertaken to ensure important areas are protected.

Why: These works are improving drainage, fuel break access and road surface conditions for emergency response and bushfire risk reduction activities.

For more information about this work scan the QR code, call Parks Victoria on 13 19 63 or visit parks.vic.gov.au.

 The purple lines show the location of the roading works and drainage improvement for 2023.

The scheduling and duration of work can sometimes change depending on conditions.
