

FIRE PREPAREDNESS WORKS NOTIFICATION

Drainage improvement will take place in Frankston Nature Conservation Reserve to improve fire and emergency access

Date: End January 2023

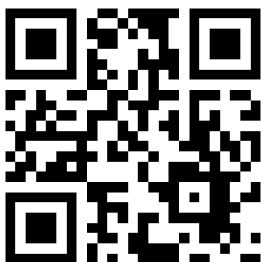

Duration: Approximately 3 weeks (weekdays only)

Location: Boundary East Track (see map)

Impact: **Work crews and heavy machinery will be working in this area, so there will be restricted access during works.** You should avoid this area if possible, but if you must use the track, follow the instructions of the crew working on site.

Environmental and cultural heritage assessments have been undertaken to ensure important areas are protected.

Why: These works are improving fuel break access and safety for firefighting, emergencies and our annual fuel break grass slashing program.

For more information about this work scan the QR code, call Parks Victoria on 13 19 63 or visit parks.vic.gov.au.

■ The red dots show the location of the drainage improvement works for 2022/23.

The scheduling and duration of work can sometimes change depending on conditions.
