Albert Park Reserve (Albert Park) is Melbourne's highest profile park, located just 3km from the centre of Melbourne. It is a 225 hectare sporting and recreational park that caters for formal and informal recreation. Albert Park is the focus for many of Victoria's major events and is also an important sanctuary for wildlife and vegetation. Parks Victoria is responsible for the management of Albert Park. To control the demand for parking within the Park, a fee based parking system was introduced to all car parks and kerbside parking spaces, in April 2006.

Parks Victoria administers a system of parking permits to provide discounted parking for legitimate sports clubs, businesses and tradespeople conducting work within Albert Park. By displaying a valid parking permit, permit holders are exempt from a number of parking restrictions. Surplus revenue from fees charged for parking and parking permits at Albert Park are spent within the Park to improve facilities for the benefit of all users.

When is a permit required? A permit is required if you are parked in Albert Park Reserve while you are involved in your club's activities, between 8am–9pm, 7 days per week. The permit must be displayed on your windscreen. If you do not have a permit, you must purchase a ticket from the ticket machines instead.

Where can I park? Your parking permit/s allow you to park in any valid parking spaces along the kerbside or in designated car parks in Albert Park. The permit is only valid in the vicinity of the tenant club's sports fields and/or pavilion during designated club activities.

Where can't I park? You cannot park in clearways, no stopping zones, on parkland or other areas where parking is excluded or temporarily suspended. Loading zones are for short term pick up/drop off only. Your parking permit does not exempt you from the time restrictions associated with a loading zone. Use of valid parking spaces may be temporarily suspended by the police, emergency services, or authorised parking officers.

How much does a permit cost? The cost of the permit is listed at the front of this application form. Permit prices are inclusive of GST, and a tax invoice will be issued upon receipt of fee payment. Permit fees are not refundable, even if club membership ends before the permit expires.
